

## **Updates on Swap-Free Accounts**

Dear Clients,

From Nov. 1st 2023 onwards, your account will be charged administration fees after you open the trade and hold it for more than (>) 14 calendar days. This change is applicable to the following products:

|        |        |        | Forex  |        |        |        |
|--------|--------|--------|--------|--------|--------|--------|
| AUDCAD | AUDCHF | AUDJPY | AUDNZD | AUDUSD | CADCHF | CADJPY |
| CHFJPY | EURAUD | EURCAD | EURCHF | EURGBP | EURJPY | EURNZD |
| EURUSD | GBPAUD | GBPCAD | GBPCHF | GBPJPY | GBPNZD | GBPUSD |
| NZDCAD | NZDCHF | NZDJPY | NZDUSD | USDCAD | USDCHF | USDJPY |
|        |        |        | Metals |        |        |        |
| XAUUSD | XAGUSD |        |        |        |        |        |

For other products which are not listed above, your account will be charged administration fee every day.

You will not be eligible for a swap-free account in the following countries/areas.

- China South Korea Taiwan Vietnam
- JapanPhilippines

This account type is designed to serve the specific religious needs of certain regions and is not available for institutional or corporate clients.

STARTRADER reserves the right to cancel this service at any time.

Please be aware that if you engage in any of the below trading behaviors, the Company shall have a reason to believe that you may be unable to manage the risks that arise from margin trading and which can result in excessive losses and abuse of swap-free service. In this way, the Company shall proceed with the necessary actions such as denying the client's qualification, request for the admin fee (from then on and beforehand), deducting the improper profit, or even terminating the partnership with the client.

- 1. Using the same IP address or the same device to trade at a similar time but in a different exposure.
- 2. Creating multiple accounts (including internal accounts with STARTRADER or accounts with different brokers) engaging in arbitrage, scalping, high-frequency trading, and malicious hedging.
- 3. Trading oversized positions near market close or market news.
- 4. Putting your account under single exposure for more than 5 days.
- 5. Over half of the trading volumes are opened before the 3-days swap day.
- 6. More than half of the trading volume is associated with a single exposure.
